Request for Proposals (RFP) for Software Services

The Northwest Oregon Housing Authority (NOHA) has received two proposals in response to our solicitation for Software Services for the financial and housing programs administered by NOHA. The proposals were evaluated by the NOHA Management Team (Finance Director, Deputy Director, and Executive Director) and the NOHA Board. The proposals were screened and awarded points based on the criteria listed in the RFP.

Based on the final scoring of the proposals, the NOHA Board has recommended that they enter contract negotiations with Management Computer Services, Inc for the software services. If these negotiations fail to reach a contract, negotiations would begin with the second highest scored proposer.

If you have any questions regarding this solicitation, please contact Todd Johnston, at NOHA, todd@nwoha.org or by phone at 503-994-5034.
